

GENERAL TERMS & CONDITIONS

Effective from 01.06.2017 until Further Notice

CUSTOMER AGREEMENT

This is a legal contract between AVA Trade EU Limited, herein after known as ("AvaTrade", "us" or "we") its successors and assigns, and the party/parties (the "Customer", "client" or "you") executing this document. This document, together with our [Risk Disclosure Statement](#), [Trading Conditions and Charges](#), [Client Asset Key Information Document](#) and [Privacy Statement](#), represents the terms with which AvaTrade will do business with Customer. This document sets out the respective rights and obligations of both parties in connection with this service and both parties will accept and be bound by these terms on acceptance of the terms contained herein and on completion of the application form by Customer.

In connection with opening an account with AvaTrade to speculate in, and/or purchase, and/or sell, Forex, Contracts for Differences (hereinafter referred to as "CFDs"), Options (hereinafter referred to as "Options") and Spread Betting, in commodities, metals, currencies and indices, and the receipt of such other services and products as AvaTrade may, in its sole discretion, determine to offer from time to time in the future, Customer acknowledges that it has been advised and understands the following factors concerning trading in the over the counter market ("OTC") and/or Spread Betting market, in addition to those contained in the [Risk Disclosure Statement](#) which has been provided to Customer. We trade contracts for differences ("CFD") transactions in OTC.

In consideration of AvaTrade agreeing to provide services to "Customer", "client" or "you" in connection with the purchase of Forex, CFDs, Options and Spread Betting in commodities, currencies, metals and indices and the receipt of such other services and products as AvaTrade may, in its sole discretion, determine to offer from time to time in the future and which may be purchased or sold by or through AvaTrade for Customer's accounts(s), Customer agrees that the following rights and obligations will govern the relationship between AvaTrade and Customer.

IMPORTANT NOTICES

OTC trading means that trading does not take place on a regulated exchange. There are no guarantees as to the credit worthiness of the counter party of your Forex, CFDs, Options and Spread Betting position. Also, there may be certain cases in which trading liquidity decreases, causing Forex, CFDs, Options and Spread Betting in commodities, currencies, metals and indices to cease, thereby preventing the liquidation of an adverse position which may result in a substantial financial loss.

AvaTrade does not provide investment advice. The market recommendations, signals, information provided by and/or distributed by AvaTrade are general in nature and based solely on the judgment of AvaTrade's personnel or from third party information providers. These market recommendations may or may not be consistent with the market position or intentions of AvaTrade, its affiliates, and/or employees. The market recommendations and information provided by AvaTrade are based upon information

GENERAL TERMS & CONDITIONS

believed to be reliable, but AvaTrade cannot and does not guarantee the accuracy or completeness thereof or represent that following such recommendations will eliminate the risk inherent in trading Forex, CFDs, Options and Spread Betting. Any market recommendations of, or information provided by, AvaTrade does not constitute an offer to buy or sell, or the solicitation of an offer to buy or sell, any OTC transaction. Customer understands and hereby agrees that Customer is capable of, and solely responsible for, assessing the merits and risks of any trade it may enter into with AvaTrade.

Customer understands that AvaTrade does not permit its Customer representatives to either exercise discretion or manage an OTC account. If Customer's account is not being traded with Customer's authorisation, Customer must notify AvaTrade immediately.

AvaTrade's margin policies and/or the policies of those banks/clearing houses through which trades are executed may require that additional funds be provided to properly margin Customer's account and Customer is obligated to immediately meet such margin requirements. Failure to meet margin calls may result in the liquidation of any open positions with a resultant loss. AvaTrade reserves the right to refuse to accept any order.

Customer understands that it must carefully review the reports relating to Customer's trading posted online by AvaTrade. All reports of execution and statements of accounts will be deemed final unless customer objects within two business days of being posted. Objections may be made initially by email or by telephone, but must be confirmed thereafter in writing.

Customer understands that AvaTrade may establish rules and provisions for client accounts, including but not limited to minimum account size, investment time period, commissions and fees, leverage size per instrument, mark ups, rules relating to stop losses and limits, rules relating to rollovers, rules relating to margin calls, or any other financial arrangement, and that such rules and provisions may be changed by AvaTrade from time to time.

Customer has read and understands the Customer's obligations and rights under this Customer Agreement and agrees and acknowledges that this Customer Agreement, [Risk Disclosure Statement](#), [Trading Conditions and Charges](#), [Client Asset Key Information Document](#) and [Privacy Statement](#) will comprise the terms of the Customer's relationship with AvaTrade. The Customer agrees that Customer is fully responsible for making all decisions as to transactions effected for Customer's account. Customer has considered the foregoing factors and in view of Customer's present and anticipated financial resources, Customer is willing and able to assume the substantial financial risks of OTC trading.

IT IS THE CUSTOMER'S RESPONSIBILITY TO FIND OUT ALL NECESSARY INFORMATION ABOUT TRADING IN FOREX, CFDs, OPTIONS AND SREAD BETTING AND AVATRADE TERMS AND CONDITIONS AND MAKE SURE THAT ALL RISKS AND ARRANGEMENTS ARE DISCUSSED AND CLEARLY UNDERSTOOD PRIOR TO ANY TRADING ACTIVITY.

These are commonly known as European style vanilla options.

10.2 The proceeds of the purchase or sale of an Option (the "Cost", or "Premium") will be immediately debited or credited to the cash balance of the account. At Expiration, Options that are in the money will be automatically closed out at intrinsic value, that is, in the case of Call Options, the amount by which the closing price of the specified FX/CFD exceeds the strike price, and in the case of Put Options, the amount by which the Strike exceeds the closing price of the specified

Options that are not in the money will expire worthless.

- 10.3 The Customer acknowledges, recognizes and accepts that AvaTrade quotes variable spreads on Options. The Client is specifically made aware that variable option spreads are affected by actual market conditions, which are beyond AvaTrade's control. AvaTrade does not guarantee any maximum or minimum quotable option spreads. There may be times when Options quotes are not available in some underlying FX/CFDs.
- 10.4 We allow you to perform various transactions, including in respect of options based on various indices that shall be defined by us from time to time (for example, index rates and stock and option rates), and to receive financial information and various other services as we shall determine in our sole discretion. Prior to effecting any transaction, we advise you to read the explanations that may be found on the website regarding each type of transaction. The rules of trade are set exclusively by AVA.
- 10.5 We will make available, by posting on www.avafx.com / www.avatrade.com, the current price applicable to a share or index, and offer you the opportunity to submit a put or call position in respect of such share. Each position shall be for a specified expiry time. We expect that the current prices will be reasonably related to the actual prices of such shares available in the market. We make no warranty, express or implied, that the quoted prices represent prevailing quoted prices.

- 11.1 Customer funds will be held in accordance with the 'Client Asset Requirements' issued by the Central Bank.
- 11.2 Interest is not payable by AvaTrade on client funds deposited by Customer.
- 11.3 All funds, securities, currencies, and other property of Customer which AvaTrade or its affiliates may at any time be carrying for Customer (either individually, jointly with others, or as a guarantor of the account of any other person,) or which may at any time be in its possession or control or carried on its books for any purpose, including safekeeping, are to be held by AvaTrade as security and subject to a general lien and right of set-off for liabilities of Customer to AvaTrade whether or not AvaTrade has made advances in connection with such securities, commodities, currencies or other property, and irrespective of the number of accounts Customer may have with AvaTrade.

GENERAL TERMS & CONDITIONS

- 11.5 Customer hereby also grants to AvaTrade the right to pledge, re-pledge, hypothecate, invest or loan, either separately or with the property of other Customers, to itself as broker or to others, any securities or other property of Customer held by AvaTrade as margin or security.
- 11.6 AvaTrade shall at no time be required to deliver to Customer the identical property delivered to or purchased by AvaTrade for any account of Customer.
- 11.7 This authorization shall apply to all accounts carried by AvaTrade for Customer and shall remain in full force until all accounts are fully paid for by Customer or notice of revocation is sent by AvaTrade from its home office.
- 11.8 Any failure by AvaTrade to enforce its rights hereunder shall not be deemed a future waiver of such rights by AvaTrade.
- 11.9 AvaTrade is irrevocably appointed as attorney in-fact for Customer and is authorized, without notice to Customer, to execute and deliver any documents, give any notice and to take any actions on behalf of Customer, including the execution, delivery and filing of financing statements, that AvaTrade deems necessary or desirable to evidence or to protect AvaTrade's interest with respect to any collateral.
- 11.10 In the event that the collateral deemed acceptable to AvaTrade is at any time insufficient to satisfy Customer's indebtedness or other obligations to Ava, including obligations to provide margin hereunder, Customer shall promptly pay upon demand the entire amount of such deficit.
- 11.11 Client Assets held within and outside Ireland:
- 11.11.1 Any funds received by AvaTrade from Customer will be deposited in a client account with one of its appointed credit institutions within the E.U.
- 11.11.2 Our appointed credit institutions have confirmed to us in writing that they will designate accounts in such a way that sufficiently distinguishes the client account from any account containing funds belonging to the firm.
- 11.11.3 AvaTrade's approved credit institutions have also confirmed in writing that they will provide daily statements in respect of client funds held.
- 11.11.4 Please be aware that the legal and regulatory regime of our approved credit institutions outside Ireland with which we place client funds are different to the laws applicable in Ireland.
- 11.11.5 Accordingly, in the event of default of the applicable credit institutions, client funds may be treated differently than they would be in Ireland.
- 11.11.6 By accepting these terms and conditions Customer hereby consents to client funds being held with credit institutions outside of Ireland.

GENERAL TERMS & CONDITIONS

11.12 Pooling:

- 11.12.1 Assets are held with our appointed credit institutions in a pooled client account.
- 11.12.2 A pooled client account is an account containing the funds of multiple clients and, therefore, the assets of one client are not physically segregated from those of another.
- 11.12.3 In the event of default by one of our appointed credit institutions, such a designation may prevent or delay our ability to control your assets.
- 11.12.4 AvaTrade performs daily reconciliations between pooled client funds and our internal records.
- 11.12.5 By accepting these terms and conditions Customer hereby consents to client funds being held in pooled accounts including our appointed credit institutions outside Ireland.

- 11.13.1 In the event of default of one of our appointed credit institutions, AvaTrade does not accept responsibility and is not subject to any liability arising from losses to clients arising from such a default.
- 11.13.2 However, we conduct appropriate and continuing risk assessment of our appointed credit institutions in order to ensure that our appointed credit institutions are safe repositories.
- 11.13.3 We will supply the details of our appointed credit institutions on request to retail clients, including the names of those institutions and the client account details.
- 11.13.4 Where Customer does not wish AvaTrade to deposit funds with a particular credit institution we will return such funds to Customer as soon as possible.

11.14 Compensation:

- 11.14.1 AvaTrade is a member of the Investor Compensation Scheme, established under Irish law.
- 11.14.2 In the event that AvaTrade is unable to return money owed to clients, certain 'eligible investors' will be entitled to receive a portion of the moneys owed provided the loss is recognized by the Investor Compensation Scheme.
- 11.14.3 For the purposes of the scheme, retail clients will be eligible investors and will be entitled to compensation.
- 11.14.4 The amount which a retail client will be entitled to receive is the smaller amount of 90% of funds owed or €20,000.

GENERAL TERMS & CONDITIONS

11.14.5 However, please be aware that in the event that you request to be treated as a professional client and AvaTrade agrees, you will no longer be an 'eligible investor' for the purpose of the scheme and will not be entitled to compensation in the event of default by AvaTrade.

11.15 Pursuant to section 11.5 Customers trading on the AVA Direct platform agree to the transfer of full ownership of funds to AvaTrade for the purpose of securing or otherwise covering a required margin and as such the required margin will no longer be treated as belonging to the Customer. AvaTrade will deposit the required margin as collateral with its liquidity provider(s). These funds will not be registered in the customer's name. Funds deposited by the Customer in excess of the required margin will be treated as client funds in accordance with the Client Asset Requirements.

12. CONFLICTS OF INTEREST

12.1 AvaTrade is required to maintain and operate effective organisational and administrative controls to take all reasonable steps to identify, manage, disclose and record conflicts of interest. In order to achieve this AvaTrade has established and implemented a Conflicts of Interest policy.

12.2 Where arrangements made by AvaTrade to manage conflicts of interest are insufficient to ensure, with reasonable confidence, that risks of damage to client interests will be prevented, AvaTrade shall clearly disclose to the client the general nature and the sources of the conflicts of interest before undertaking business on the client's behalf.

12.3 Retail clients shall be provided with a summary of AvaTrade's Conflict of Interest Policy upon request.

- 14.4 In liquidation of Customer's long or short positions, AvaTrade may, in its sole discretion, offset in the same settlement or it may initiate new long or short positions in order to establish a hedge which in AvaTrade's sole judgment may be advisable to protect or reduce existing positions in Customer's account.

15. FEES/CHARGES

15.1 Fees arising out of AvaTrade providing services are outlined in the [Trading Conditions and Charges](#) page.

15.2 Customer is aware that a part of AvaTrade's revenues derives from the spread on each transaction. The spread is the difference between the bid & the ask price of the price quote on a transaction. The standard spreads for all instruments are listed on Trading Conditions & Charges link - <http://www.avatrade.com/trading-info/trading-conditions>.

15.3 AvaTrade may increase or decrease spreads on any or all instruments, at its sole discretion, at any time without notification due to various mitigating factors – market sentiment, news times or announcements, trading volumes, market volatility and/or additional internal or external factors. This may be effected on an individual client basis or for all clients simultaneously.

15.4 Where a customer requests a specific fee structure, a commission may be payable by Customer to open and close Forex, CFDs, Options and Spread Betting positions. - 15.9.7 Trades in CFDs and Spread Betting are linked to the market price of a certain base asset, including the market price of future contracts. A few days prior to the expiration date of the base asset to which the CFD and Spread Betting is linked, the base asset shall be replaced with another asset, and the quotation of the CFD and Spread Betting shall change accordingly.

19.4 AvaTrade shall be entitled to setoff Customer's liabilities under this section from Customer's account.

20. PROHIBITION ON ARBITRAGE AND MANIPULATION

- 20.1 AvaTrade does not permit the practice of arbitrage when trading and strictly forbids any form of manipulation of its prices, execution, and platform or making transactions based on errors, omissions or misquotes on the AvaTrade platform.
- 20.2 Price latency, connectivity delays, and price feed errors sometimes create a situation where the prices displayed do not accurately reflect market rates. The concept of arbitrage and "scalping", or taking advantage of these Internet delays, cannot exist in an OTC market where the client is buying or selling directly from the market maker.
- 20.3 Any transactions that rely on price latency or price feed errors may be subject to intervention which includes the right to void any transactions which AvaTrade has determined to be a result of any of these practices, revocation of profits, widening of spreads, block of trading and any other necessary corrections or adjustments on the account without prior notice.
- 20.4 If AvaTrade suspects or has reason to believe that Customer has abused the terms and conditions by hedging positions internally (using other trading accounts held with AvaTrade) or externally (using other trading accounts held with other brokers), AvaTrade reserves the right to cancel any trades or profits associated with Customer's account(s).

21. EXECUTION OF ORDERS, STOP AND LIMITS

- 21.1 AvaTrade will use commercially reasonable efforts to complete all orders which it may, in its sole discretion, choose to accept in accordance with the oral or written or computer instructions of Customer.
- 21.2 AvaTrade reserves the right to refuse to accept any order.
- 21.3 AvaTrade may, at its sole discretion, allow Customer to specify a closing price for a transaction at the trading platform through a "Close at Loss" and "Close at Profit" order, subject always to the

GENERAL TERMS & CONDITIONS

terms of this Agreement and any other terms and conditions AvaTrade may implement from time to time.

- 21.3.1 “Close at Loss” means an offer to close a transaction at a price determined in advance by Customer which, in the case of a transaction that is opened by offering to buy a specific number of a certain instrument, is lower than the opening transaction price, and in the case of a transaction that is opened by offering to sell a specific number of a certain instrument, is higher than the opening transaction price.
- 21.3.2 “Close at Profit” means an offer to close a transaction at a price determined in advance by Customer which, in the case of a transaction that is opened by offering to buy a specific number of a certain instrument, is higher than the opening transaction price, and in the case of a transaction that is opened by offering to sell a specific number of a certain instrument, is lower than the opening transaction price.
- 21.4 Upon Customer's offer and AvaTrade's acceptance of an order, Customer hereby authorizes AvaTrade to close the transaction at the Close at Loss price or Close at Profit price, as applicable, and as agreed upon in the order, without further instruction from or notification to Customer.
- 21.5 AvaTrade may, in its sole discretion, close the transaction when the price quoted by AvaTrade on the trading platform equals the price accepted by AvaTrade for such an order.
- 21.6 Customer acknowledges and agrees that AvaTrade shall not be obligated to close a transaction which does not otherwise comply with any other limitations agreed upon with respect to such transaction.
- 21.7 Customer acknowledges and agrees that due to market volatility and factors beyond AvaTrade's control, AvaTrade cannot guarantee that a Close at Loss order will be executed at the level specified in Customer's order. In such an event, AvaTrade will close the transaction at the next best price.
- 21.8 If, before Customer's “Limit Order” offer to open or close a transaction is accepted by AvaTrade, AvaTrade's quote moves to Customer's advantage (for example, if the price goes down as Customer buys or the price goes up as Customer sells) Customer agrees that AvaTrade will execute the closing transaction at the Customer's specified price and not better. Customer agrees that AvaTrade can retain such price movement for its own account.
- 21.9 Customer is aware that a part of AvaTrade's revenues derives from the spreads on each transaction. The spread is the difference between the bid & the ask price of the price quote on a transaction. Therefore, in case the fair market price reduces AvaTrade's spread in a specific transaction, AvaTrade may, at its sole discretion, choose not to execute such transaction, in which case AvaTrade may send Customer an amended quote for his consideration. AvaTrade may

GENERAL TERMS & CONDITIONS

complete a transaction at its sole discretion in case the fair market price does not affect AvaTrade's spread from the transaction and / or increases it.

22. RISK ACKNOWLEDGMENT

- 22.1 Customer acknowledges that investment in leveraged and non-leveraged transactions are speculative, involves a high degree of risk, and is appropriate only for persons who can assume risk of loss of their entire margin deposit.
- 22.2 Customer understands that because of the low margin normally required in OTC trading, price changes in OTC may result in significant losses.
- 22.3 Customer warrants that Customer is willing and able, financially and otherwise, to assume the risk of OTC trading, and in consideration of AvaTrade's carrying his/her account(s), Customer agrees not to hold AvaTrade and any of its subsidiaries, affiliates or agents responsible for any losses incurred by Customer.

- 22.7 During times of extreme volatility it can be difficult or impossible to execute orders.

23. MARKET RECOMMENDATIONS AND INFORMATION

- 23.1 Customer acknowledges that:
